To understand the
Island's approach to
learning in our schools...

**ESSENTIALS 4
LEARNING**

Reddyn Femoil son Ynsaghey

<https://e4l.sch.im>

E4L provides broad parameters for schools to develop flexible, exciting and memorable learning experiences and positive learning dispositions.

"We believe E4L sends a strong message to our teachers, pupils, and parents, that as well as securing good academic outcomes, we are also committed to supporting vital skills, dispositions and attitudes in young people as they develop and make sense of the world as it is now and in the future."
